Welcome to the 2024 Burford Fall Fair!

October 12th to 14th, 2024

It's pretty cool when traditions carry on for 25 years and it's really cool when we celebrate anniversaries of 50, 75, 80 years. Commitment, hard work, compromise, dedication, these are the traits that allow things to carry on throughout the years. It's no surprise that these are the traits that allow the Burford Agricultural Society to produce the 161st Fall Fair.

The Burford Fair is older than some of the biggest and most well-known fairs in this country. The Calgary Stampede started in 1886, The Royal Fair in 1922, the CNE in 1879. The first Burford Fair was in 1860 – seven years before Canada would become a country. Having visited the Stampede and Royal Fair, big and small fairs from Calgary to Toronto, nothing beats the small town and county fair.

I am extremely proud to lead the Burford Agricultural Society in 2024, working with a board of directors, committees, and volunteers exhibiting the same commitment, hard work, compassion, compromise and dedication to celebrating rural life in Ontario with this board and these people at the Burford Fall Fair. Thank you if you have in the past served on the Fair Board, volunteered, donated, or just come to enjoy our production of the best small town fair in rural Ontario. I look forward to seeing you on the fairgrounds for another season.

Chris Howell
President
